Wigram Skies is an exciting new community being built on the site of the former Wigram Aerodrome.

Wigram’s history will remain an integral part of the community and is remembered in the Air Force Museum, street and neighbourhood names and historic buildings.

Rich in heritage and character, Wigram Skies looks forward to an equally bright future; setting the standard for modern, innovative and convenient living.

When complete, this unique, masterplanned community will be home to around 4,000 people and will provide leisure, recreational, retail and community services to residents of Christchurch’s South West.

Green spaces, ease of living, and encouraging a healthy community are central to Wigram Skies.

Welcome to Wigram Skies
