APPENDIX A

RESTRICTIVE COVENANTS – MARAMA NEIGHBOURHOOD 3D, 3E AND 3H4 – LOTS 960 TO 1009 AND 1011

A INTERPRETATION

For the purposes of this Land Covenant, “the Developer” means Ngai Tahu Property Limited.

B THE GRANTOR AND THEIR SUCCESSORS IN TITLE SHALL NOT:

1.1 Subdivision

Further subdivide any of the residential lots 960-1007 (inclusive) on DP 490510 and specifically excluding lots 1008, 1009 and 1011 (inclusive) on DP 490510 whether by way of cross-lease, unit title, sub-division into separate lots or in any other way PROVIDED HOWEVER that this restriction will not apply to a subdivision which has the effect only of adjusting the boundaries between two adjoining lots.

1.2 Temporary Accommodation

Permit or suffer the property to be occupied or used as a residence either by the erection of temporary structures or the placing thereon of caravans or other vehicles used for human habitation.

1.3 Use Prior to Completion

Use the property as a residence before a Code Compliance Certificate has been issued by the Christchurch City Council unless section 362V(2) of the Building Act 2004 applies.

1.4 Storage of Vehicles

Allow a vehicle (including boats, trailers, caravans and motor-homes but excluding a motor car that is used on a regular basis) to be left, parked or stored on any part of the property between the dwelling and the road frontage unless it is screened by a fence erected in compliance with this Land Covenant resulting in no part of the vehicle being visible above the fence line from any road frontage within the subdivision or any neighbouring property. If any part of the vehicle is visible above the fence line from any road within the subdivision or any neighbouring property, the vehicle must be stored in an enclosed structure, carports and gazebos are not permitted.

1.5 Noxious Weeds and Rubbish

Allow the accumulation or housing of any rubbish, noxious substances, noxious birds or animals which may be likely to cause nuisance or annoyance to the neighbouring occupiers, or permit grass or weeds to grow to such a height as to become unsightly.
1.6 Animals

Permit any dog or other pet to be kept in or about the property which dog or other pet is likely to cause a nuisance or annoyance to other neighbouring occupiers or detract from the subdivision, and in particular, without otherwise limiting this restriction, not to keep on or about the property any dog which in whole or part appears to be a Pit Bull Terrier, Rottweiller, Japanese Akita, Japanese Tosa, Dogo Argentino or Brazilian Fila. The keeping of pigeons is expressly prohibited.

1.7 Signs

Permit any advertisement, sign or hoarding of a commercial nature (excluding a professionally made “For Sale” sign) to be erected on any part of the property or dwelling, PROVIDED HOWEVER that the Developer shall, at its discretion, be entitled to exempt one or more lots of its choice from this restriction for a maximum period of two years after the date that DP 490510 is deposited.

1.8 Dwelling Height

On any of the lots, except lots 961, 962, 973, 974, 980-985 (inclusive), 998-1009 (inclusive) and 1011, erect a dwelling greater in height than a single storey. The Grantee may, at the Grantee’s sole discretion, approve a dwelling with the living areas situated within the roof cavity of a dwelling PROVIDED THAT there are no windows set into the roofline or gable area and that the only natural light permitted into the roof cavity is from skylights set into the roof.

1.9 New Materials

Erect or permit to be erected on the Lot any building using anything other than new materials PROVIDED THAT second-hand bricks may be allowed for exterior cladding at the Grantee’s discretion. No pre-lived in or pre-built dwelling shall be transported on to the Lot.

1.10 Non-permitted Cladding Materials

Construct any building on the Lot with an external cladding of unrelieved flat sheet fibrolite, hardiflex or similar materials PROVIDED THAT this restriction shall not apply to the cladding of soffits or gable ends.

1.11 Painting

Leave the outside of any dwelling unfinished, or any exterior walls or doors unpainted or unstained PROVIDED THAT this clause shall not apply where natural timber cladding or decorative brick, stone or concrete are used.

1.12 Building Materials

Use as a roofing material any material other than tiles (clay, ceramic, concrete, decramastic, pre-coated pressed steel) of a single colour or pre-painted long-run pressed steel (the use of zincalume shall not be permitted). Preferred building materials are detailed in the Grantee’s Design Guidelines.
1.13 **Fencing Materials**

Erect or permit to be erected on the land any fence or boundary wall of any material containing cement board sheets or panels, corrugated iron, or metal sheeting except contoured or pressed colour steel.

1.14 **Boundary Fencing**

a) **Interpretation**

For the purposes of clause 1.14, the following words and phrases mean:

“**Double-Frontage Lots**” means Lots 960, 973, 974, 985, 986, 1002, and 1005

“**Maximum Length**” means 50% of the length of the Road Boundary

“**Road Boundary**” means a boundary between a Lot and any legal road

“**Side Boundary**” means a boundary between a lot and an adjoining lot that is not a Road Boundary

“**Total Length**” means the total length of the fence taken in a line parallel to the road

“**Transparent**” means able to be seen through either because no solid construction is present or because there are spaces between the elements used in the construction that are at least the same width as the elements themselves.

The diagrams in Schedules A are intended to illustrate fences which comply with this clause 1.14, but are not the only complying design.

b) **Road Boundary Fencing**

The Grantor shall not permit any fence or other structure (other than a letterbox or a fence of the type referred to in clause 1.14(c)) to be erected in the area between the Road Boundary and a line drawn parallel to the Road Boundary with the distance between such line and the Road Boundary being determined by those parts of the dwelling closest to the Road Boundary.

c) **Permitted Road Boundary Fences (excluding Lots 1008, 1009 and 1011)**

For the purposes of clause 1.14(b) the Grantor shall be permitted to erect one fence (or on Double-Frontage Lots, up to two fences) between the dwelling and the Road Boundary provided that the fence or fences are erected at least 1 metre from the Road Boundary and they comply with the following requirements:

i) The fence or fences are constructed using primarily the same materials as the external walls of the dwelling; and

ii) The fence or fences are either no higher than 0.8 metres above finished ground level, or if the fence or fences are higher than 0.8 metres then
for at least half of the length (or combined length where more than one fence is erected) of the fence is Transparent; and

iii) The Total Length of the fence does not exceed the Maximum Length. By way of illustration, the Grantee acknowledges that the following types of fences will comply with this restriction notwithstanding that in overall length they may exceed the Maximum Length:

(a) a curved fence. Diagrams of complying curved fences appear as Example 1 and Example 2 on Schedule A: and

(b) a fence which is parallel to the boundary but has a return. Diagrams of complying fences with returns appear as Example 3 and Example 4 on Schedule A.

Where two fences are erected on a Lot, their combined measurement shall not exceed the Maximum Length.

iv) The fence or fences are no higher than 1.2 metres above finished ground level PROVIDED THAT on Double-Frontage Lots the fence or fences may be up to 1.8 metres high

v) The Developer reserves the right to exempt certain lots (predominantly those with generally north and west facing road boundaries) from the maximum height limit of 1.2 metres referred to in subclause iv) where the Developer considers that such a height limit restricts the occupant’s ability to preserve reasonable privacy. Where any fence that does not comply with the height limited in subclause iv) was erected prior to 30 April 2021 it shall be deemed to have been consented to by the Developer.

d) Road Boundary Fencing – Lot 1008, 1009 and 1011

The Grantor shall not permit:

i) any fence or other structure (other than a letterbox, and a fence of the type referred to in clause (ii) below) to be erected within one metre of the Road Boundary; nor

ii) any fence to be erected on the Lot other than a fence which is no higher than 1.2 metres from finished ground level, is constructed using primarily the same materials as the external walls of the dwelling, and is transparent for at least half of its length, SUBJECT HOWEVER to the following sub-clause.

iii) The Grantee reserves the right to exempt certain lots (predominantly those with generally north and west facing road boundaries) from the maximum height limit of 1.2 metres referred to in subclause (ii) where the Grantee considers that such a height limit restricts the occupants’ ability to preserve reasonable privacy. Where any fence that does not comply with the height limit in subclause (ii) was erected prior to the 30 April 2021, it shall be deemed to have been exempted by the Grantee.
e) **Side Boundary Fences**

i) Permit any fence to be erected on the common Side Boundaries between any of Lots 960-997, 998-1007, 998 and 1008, 1007 and 1008 within 1 metre of the point where the Side Boundary meets the Road Boundary.

ii) Permit any fence to be erected on the common Side Boundaries between any of Lots 966-978 and 998-1007 unless the fence is 1.2 metres in height at the point 1 metre from the road boundary and is raked at an angle of 30 degrees until it obtains its maximum height of 1.8 metres, PROVIDED HOWEVER that where a fence on Double-Frontage Lots 973, 974, 1002 and 1005 is constructed at a height of 1.8 metres (as permitted by clause (c)(iv)) where it adjoins a Side Boundary, and specifically including Lots 998 and 1007 where they adjoin Lot 1008, the adjoining Side Boundary fence can be constructed at a height of 1.8 metres along its entire length.

1.15 **Letterbox**

Erect a dwelling without contemporaneously erecting a new letterbox of a design, colour and cladding consistent with the dwelling, or as approved by the Grantee in accordance with clause 1.19.

1.16 **Completion of Landscaping, Driveways and Paths**

Permit the dwelling to be occupied unless all driveways and paths are completed in permanent materials, all wooden boundary fences are stained, and all unpaved areas are properly grassed or landscaped.

1.17 **Satellite Dishes**

Place or allow to be placed on the land or buildings any aerials or satellite dishes unless the same comply with the following requirements:

a) have a maximum diameter of one metre; and

b) are situated at least four metres from the front façade of the dwelling; and

c) are mounted below the ridgeline of the roof.

1.18 **Garden Ornamentation**

Place or allow to be placed on the land or buildings any brightly painted ornaments which are reasonably visible by any person standing on the footpath of any legal road.

1.19 **Grantee to Approve Plans**

Commence any work on the property:

a) without submitting to the Grantee for its approval all building plans, including site plans (showing the position of the vehicle crossing) specifications, fencing, landscaping plans (which shall be prepared by a qualified landscape designer) and builder. Sole discretion lies with the Grantee in approving building and site
plans, specifications, fencing and landscaping plans, which shall comply with the Design Guidelines provided by the Grantee to the Grantee’s satisfaction.

b) which does not conform to the plans approved by the Grantee. Any variation to or deviation from the approved plans will be a breach of this clause and subject to the provisions of clause 3.

PROVIDED THAT this clause 1.19 will cease to apply and be of no further effect from the date that a Code Compliance Certificate is issued for the first dwelling to be built on the Lot.

AND FURTHER PROVIDED THAT the Grantor acknowledges that the Grantee has no legal responsibility or liability for the enforcement, enforceability or applicability of these covenants, nor does the Grantee undertake to enforce or monitor compliance with these covenants on an ongoing basis.

1.20 Construction Fencing

Commence construction until temporary fencing has been erected on the entire length of all unfenced boundaries. The temporary fence must comprise removable wire or shade cloth (or other see-through material), be a minimum of 1.2 metres in height and have a rigid frame and in all circumstances be acceptable to the Developer at their sole discretion, and provide only one vehicle access to the lot from the road or right-of-way.

1.21 Construction Zone Areas

Commence construction until a vehicle crossing of no more than four metres width has been installed in a position approved by the Grantee, the kerb cut down at the crossing and the driveway from the road to the Lot formed and suitably based. The Grantor shall not make any use of the adjoining lots (whether occupied or not) any berms (except at designated crossings) or footpaths for construction work or for access by vehicles.

1.22 Health and Safety Requirements

Permit any construction unless the building site complies with the requirements of the Health and Safety in Employment Act 1992 (or any enactment passed in its substitution) at all times.

1.23 Delivery of Materials

Undertake or permit during the course of construction the loading, unloading, delivery, or storage of building materials other than within the boundaries of the Lot.

1.24 Building Rubbish

Carry out any construction unless an adequate rubbish skip is present at all times (and regularly emptied or replaced) nor allow during the course of construction any rubbish to blow outside the boundaries of the Lot.

1.25 Washing of Vehicles

During the course of construction allow any vehicles to be washed down other than within the boundaries of the Lot.
1.26 **Portable Toilet Facility**

Permit the Grantor’s construction workers or contractors to use the property or any other area on the Plan for toileting purposes. Prior to construction commencing, the Grantor shall provide a suitable portable toilet facility for use by the Grantor’s construction workers and contractors.

2. **DISPUTE RESOLUTION**

2.1 Except as relates to the exercise of any discretion, opinion, approval or consent requested of the grantee under these covenants, if any dispute arises between the parties concerning the covenants, then the parties shall enter into negotiations in good faith to resolve their dispute.

2.2 If the dispute is not resolved within twenty working days of the date on which the parties began their negotiations, then the parties shall submit to the arbitration of an independent arbitrator appointed jointly by the parties. If the parties agree, that person appointed may act as an expert and not an arbitrator.

2.3 If an arbitrator cannot be agreed upon within a further ten days, then an independent arbitrator will be appointed by the President for the time being of the Canterbury branch of the New Zealand law society.

2.4 Such arbitration will be determined in accordance with the Arbitration Act 1996 (and its amendments) or any enactment passed in its substitution.

3. **DEFAULT PROVISIONS**

3.1 If there should be any breach or non-observance of any of these covenants and without prejudice to any other liability which the Grantor may have to any person having the benefit of this covenant, the Grantor will upon written demand being made by the Grantee or any of the registered proprietors of the lots:

3.2 Pay to the person making such demand as liquidated damages the sum of $100.00 (One Hundred Dollars) per day for every day that such breach or non-observance continues after the date upon which written demand has been made.

3.3 Remove or cause to be removed from the land any dwelling, garage, building, fence or other structure erected or placed on the land in breach or non-observance of the above covenants.

3.4 Replace any building materials used in breach or non-observance of the above covenants.
