Welcome to Wigram Skies

Wigram Skies is undoubtedly the most significant residential development to occur in Christchurch for many years. Embracing the Ngāi Tahu tradition of legacy to provide for future generations, this community will build upon and complement the history, events and collective memories of the site.

While conveniently located close to existing amenities, the Wigram Skies master plan also envisages the building of new community facilities including a school.

Wigram Skies town centre, The Landing, will include a New World supermarket while smaller specialty stores including cafes and restaurants are also proposed.

The development also has its own parks and reserves including Te Kahu sport and playground and three sports pitches within walking distance of all residences.

Piwaiwaka Neighbourhood

With section sizes ranging from 471m² to 624m², these are perfect for family living. All sections have fibre optics to the boundary and come fully fenced. A free geotech report will also be provided.

Please note that purchasers will need to satisfy themselves with the tree, lighting and parking positions before starting to design homes for these sections.

Like previous neighbourhoods, Piwaiwaka draws reference to elements relating to the sky.

The Piwaiwaka is one of many Māori names for the New Zealand fantail. Known by early European settlers as the ‘fly-catcher’, the Piwaiwaka often accompanies people through forests and woods, feeding while on the wing in a never-ending sequence of fantastic aerobatics. A small bird, the Piwaiwaka features prominently in Māori culture and mythology.

For Piwaiwaka enquiries:
Please visit wigramskies.co.nz or phone Dene Maddren on 0800 944 726 or 021 622 749, or email dene.maddren@ngaitahu.iwi.nz.
Lot areas shown are net site areas only. Areas and dimensions are subject to final survey.
The illustrated street tree, street light and parking bay locations have not been confirmed and are subject to change, therefore purchasers will need to satisfy themselves with tree, lighting and parking positions before starting to design homes for these sections.
Lots 453 and 456 have access from Deal Street only.
Lots 460 and 475 have access from Valiant Street only.
Lot 388 contains a utility site.
